Four Futures: Life After Capitalism by Peter Frase Jessica Rosa In this book Peter Frase examines four different models of economic systems through four different hypothetical futures. The author obviously disputes that capitalism is the best economic system, so this is a book best appreciated if you're open to that kind of discussion. Four Futures - Jacobin But if we do not arrive as equals, and environmental limits continue to press against us, we come to the fourth and most disturbing of our possible futures. In a way, it resembles the communism that we began with but it is a communism for the few. Four futures: life after capitalism | openDemocracy Indeed, his book sketches out four possible futures for life after capitalism. Having a selection of options is perhaps no more comforting than one dystopian image, but at least there's a smatter of hope dotted among some of the more appealing sets of outcomes that he provides.
